MEMORANDUM FOR: Intelligence Community Legislation  
Representatives

FROM: Charles A. Briggs  
Director, Office of Legislative Liaison

SUBJECT: Intelligence Community Legislative Program  
for the Second Session of the Ninety-Ninth  
Congress

1. The Director of Central Intelligence will be submitting an Intelligence Community legislative program for Administration clearance this fall for the session of Congress which begins next January. This memorandum initiates the process of formulating that program. I hope that we can identify legislative areas which are particularly appropriate for approach on a Community-wide basis.

2. The following guidelines are provided to aid your organization in the preparation of proposals for inclusion in the program:

- Items which appear in the current legislative program, a copy of which is attached for your information, should be repeated to indicate a continued interest in the passage of these initiatives; and
- It is not necessary to submit specific statutory language, or to specify a statute to be amended. A description of each problem or goal, accompanied by an explanation of why it is thought that legislation is necessary to solve or achieve it, is sufficient.

3. I would appreciate receiving your proposals by 20 September 1985. Your cooperation in this matter is much appreciated.

  
Charles A. Briggs
